

# REACH Confirmation

## Directive 1907/2006/EC

### Supplier

#### Berghof Fluoroplastic Technology GmbH

Arbachtalstraße 26  
D-72800 Eningen u.A.

### Confirmation

This is to confirm that none of the Substances of Very High Concern (SVHC's) included in the current candidate list for authorization published by the European Chemicals Agency (updated twice a year) are used in the manufacture of Fluoropolymer and Fluoroelastomer products as supplied by Berghof Fluoroplastic Technology GmbH.

Furthermore Berghof Fluoroplastic Technology does not add Perfluorooctane Sulfonates (PFOS), Perfluorooctanoic Acid (PFOA), its salts and related compounds as identified in EU Directive 2006/122/EC (30<sup>th</sup> amendment to EU Directive 76/769/EEC). This complies with the regulations of Directive (EU) 2019/1021 (EU POP Regulation).
